## From the Principal

### The Show – Another Great Success

Congratulations once again to all of the students, teachers and parents involved in this year's Show. What a great event it is that can involve more than 200 students, parents and teachers and produce such happiness for an audience and such excellence in the performers and crew.

While everyone was great, I have to mention the brilliant performances of the students involved in *Whale Rider* and the *Lion King*, *Zac Goldfinch*, whose acting skills just get stronger and *Benedict Miziner* – who again impressed the audience with his wonderful voice. It was obvious from all the smiles that all the boys were enjoying participating in the show immensely. Their talents were justly rewarded by the audience reaction and applause.

It's easy to fall into the trap of thinking that it all looks so effortless, but these magnificent performances are the result of hours of hard work. In particular, as well as the great efforts of the young men involved in the performance both as cast and crew, I want to recognise the splendid work of Ms Ford and Ms Broughton, whose devotion, talent and organisation continue to shine through. Their engagement with *The Show*, with the students and the parents mark their dedication and talent as teachers.

*The Show* is one of our flagship events and deservedly so. I look forward eagerly to next year's production.

### New Leadership Team Elected

In the previous newsletter I reported on the election of the new Student Leadership Team for 2016. They represent an outstanding group of young men, as the Leadership Team always does.

I am now able to announce that Kevin Daley will be taking on the mantle of School Captain 2016 and Dean Cann that of Vice Captain 2016. I am especially looking forward to working Kevin and Dean, both of whom are remarkable young men.

2016 School Captain Kevin Daley (left) and Vice Captain Dean Cann (right)

The new team has big shoes to fill and I look forward to hearing something of their vision at the Leaders' Induction Ceremony on Thursday, September 03.

**Early Leavers from School**

From time to time, students are required by their parents to leave school early.

On all occasions, we require written authorisation from parents to be able to approve this. This is especially important on sport afternoons (Wednesdays) when large numbers of students are off site at different venues.

Students should bring their parental letters to the Deputy and they will be signed. Letters are then taken to the rolls office where the early leave is logged on our system.
