HSC Major Works Showcase

From the Principal

When I Grow Up

The artistic apotheosis of the school year must surely be the production of *When I Grow Up*, a revue of outstanding talent, vision and creativity held at the Parade Theatre NIDA on Tuesday and Wednesday of this week. The students who participated in this production, whether as performers or stage crew, did themselves, their families and their school proud and demonstrated the huge diversity of student talent here at Randwick Boys. Staff members Maxine Ford and Christine Woodward need to be recognised for their outstanding leadership, commitment and creative skill in relation to the production.

I would also like to recognise the following staff whose support contributed greatly to the success of the event: Lance Raskall, Nick Frougas, Melissa Olsen, Tess Cassar, Nick Benson, Hildegard Boening, Sam Jackson, Jim Dimopoulos, Phil Noreika, Jude Andrewartha and her team of prefects, and Geoff Burke and his team of SLSOs, and those staff who supported the production as audience members.

The production would not have been possible without all the amazing parents who assisted with costumes, props, sponsorship, rehearsal BBQs and backstage at NIDA, and the fantastic Randwick Girls High School staff – Kylie Fagan and Jenny Jordan.

The school is extremely proud of the following students for their fantastic contributions:

Adam Cook
Anton Horlanchuk
Ben Royston
Callie White
Eddie Langford
Eddie Perigot
Finn Hempstead
Gideon Bellamy
Grigory Gerasimov
Harry Steenbeek
Henry Dauth
Henry Lopez Lopez
Jackson Elliott
Jaebaek Lee
Jake Starr
Joe Kennedy
Joel Sunny
Jordan Bean
Zane Cruse

Kyle Varshavsky
Lachlan Lawrence
Liam Price
Josiah Cocking
Lotus Rahman
Luke Starr
Marcus Davies
Marcus Mailata
Marshall Highfield
Martin Vilardo
Nate Cocking
Pavlo Cotis
Tamati Walters
William Rasmussen
Wyatt Pringle
Xavier Leal-Smith
Zac Cooling
Zach Benn

Thank you to all these people for contributing to an event which all students involved are sure to remember always.

Telephone Communication with Parents

I would like to enlist the support of all parents and carers to ensure that contact phone numbers are updated and accurate, and that the school has sufficient emergency contacts to call in the event of illness or an emergency. It is concerning for the school's administration staff to have a student who is extremely unwell and not be able to contact a parent or carer. Obviously the school only likes calling for an ambulance as a last resort and would prefer to consult with you over serious issues. If you do need to change your contact details, please phone the office on 9399 3122 so that your son's records can be updated. It may also be opportune to ask that you please store the school's phone number into your phones so that you are aware when we are calling or texting you. We only ever contact parents when there is a genuine need.

School Captains 2018

Last Friday, prospective prefects from within the Year 11 prefects gave speeches outlining their leadership credentials to their peers in nominating for the positions of School Captain and Vice-Captain for the coming year. I would like to congratulate Oliver Alum and Dennis Zub on their election as Captain and Vice-Captain. They are fine young men who will be amazing student leaders!

students who contributed through the development of the major works on display.

Thank you!

This is my last newsletter as Relieving Principal, as my relieving stint concludes next Wednesday, 30 August. I have hugely enjoyed my month at Randwick Boys', which is a great school and a reflection of the tremendous leadership of Mr Raskall, Mr Frougas and staff. I have never taught in a boys' school where the students were so friendly, polite and respectful – they are a credit to their families! I wish them all the very best with their continuing studies and post-school pathways, and I would like to thank the entire school community for their support.

Andrew Anderson
Relieving Principal

Thank you!
Goodbye

Congratulations

Congratulations to Year 11 Scott Dyson who is currently representing Australia in the Under 17s Water Polo competition in Europe. The school wishes Scott every success.

Congratulations also to the Under 15s Basketball team who were one of the final 8 teams in Sydney North region in Basketball. Thank you to Mr Noreika for driving the students to the Central Coast on Wednesday for their matches.

Year 12 Major works Showcase

On Thursday night I had the pleasure of attending a showcase of Year 12 major works in Music, Drama, Visual Art and Industrial Technology Wood. This was an excellent evening which effectively showcased the diverse talents amongst the school's Year 12 students. Thank you to Ms Olsen for coordinating this event and to those teachers and

**WOULD YOU BE ABLE TO
BAKE FOR
OUR ELECTION DAY
(9TH SEPTEMBER)
CAKE STALL**

We welcome all homemade (or purchased) treats!
Cakes, muffins, slices, cupcakes, tarts, ginger bread men, biscuits....etc
(Please no cream topping/filling)

Just drop off at the office on Friday or pop it into the cake stall near the office on Saturday 9/9 between 8am and 12pm.

We would also love your help with set up, cooking, serving, pack down.

If you can help with baking or have an hour to spare on Election Day, send us an email to info@randwickboyspandc.org.au or give Birgit a call on 0415 145 108

Thanks!

COMING EVENTS FOR TERM 3

Week 7	Week A/Events
Monday 28 August	Homework Centre, Library, 3:30 - 5pm
Thursday 31 August	Excursion: Year 7 Science Taronga Zoo Homework Centre, Library, 3:30 - 5pm

Early Leavers from School

From time to time, students are required by their parents to leave school early.

On all occasions, we require written authorisation from parents to be able to approve this. This is especially important on sport afternoons (Wednesdays), when large numbers of students are off site at different venues.

Students should bring their parental letters to the Deputy and they will be signed. Letters are then taken to the rolls office where the early leave is logged on our system.

Administration

• • • • •

Student feeling unwell while at school

If your son/ward becomes unwell at school, he needs to:

1. Ask teacher for a note to go to the office.
2. After reporting to the office he will be sent to the Deputy Principal.
3. The Deputy Principal will decide if the parent/carer needs to be called.

This ensures your son/ward's attendance will be correctly marked for the rest of the day.

Administration

Travel/Sport Leave

When filling out the form for your son's leave from school for overseas travel, please attach a copy of the airline ticket.

Parent Survey Opens 21 August!

The Tell Them From Me parent feedback survey (Term 3, 2017)

This term our school, like many others, is participating in the Partners in Learning parent survey, the second part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, ipads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted from 21 August until 13 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

The survey is now available for parents to complete. Please make one response per family. If you have more than one boy enrolled at RBHS, please have one student in mind while answering the survey questions.

This link will take you to the survey portal: <http://nsw.tellthem-fromme.com/rbhsip>

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/>

Nick Benson (Acting HT Well Being)
Lance Raskall (Principal)

Payments

Any payments made after 1pm will be held over to the next day as the banking is done at 1pm.

Administration

.....

Legal Studies excursion

The law affects all of us every day in so many ways. Understanding how the law works is a complicated labyrinth of tricky legal terminology and masses of content, all of which our students must wade through in order to successfully sit their exams.

Recently a group of Year 11 and Year 12 Legal Studies students spent an afternoon at the NSW Parliament to find out more about how our laws are made and changed. The students commenced their visit by watching the 2017 budget being delivered. After that, they spent an hour with the NSW Attorney General, the Hon. Mark Speakman QC who answered their questions about law reform. Their day concluded with a tour of Parliament House by our local member, Mr Bruce Notley-Smith MP, followed by question time in the Legislative Assembly, where their attendance was acknowledged, for all eternity, by the Speaker of the House.

All in all, this was an exceptional day for the students, filled with information they will be able to use when doing assignments and exams.

G Grasso
Social Science

Business Studies excursion

Business Studies is a dynamic and ever changing subject through which students are provided with the opportunity to delve into the intricate facets of human resources, finance, operations and marketing. Finding real life, up to date, case studies to underpin our students' theoretical work is always a challenge, and so it was with great enthusiasm that Year 12 Business Studies students visited Solid Racks to see first hand how a modern, international, Aussie business operates.

Students were shown all aspects of the business and were provided with ample opportunity to engage in a Q&A session with one of Solid Racks founders.

All in all, the excursion was an invaluable opportunity that has given the students a real life case study that they can incorporate into their answers during the upcoming HSC examinations.

Our gratitude is extended to Solid Racks for opening their doors to our students and providing them with a depth of knowledge that would otherwise have been unavailable to them.

2017 RBHS NAPLAN Online Readiness Test

Dear Parents and Caregivers,

From 2018, NAPLAN will be undertaken by students online. It is a requirement for all schools to complete an online 'Readiness' test to ensure that schools can efficiently run NAPLAN next year. Year 7 and 9 students will be involved in the Readiness Test, and will attempt a writing test and 'omnibus' test involving a combination of language conventions, reading and numeracy.

It is important to know that the results from these tests will not be recorded; the test is only required to test Randwick Boys' High School's capacity to run the online NAPLAN tests.

Please see the attached information from NESA for further clarification.

The schedule of the RBHS readiness tests is as follows:

Date/Period	Test
Monday 4/9 Periods 1 and 2	Yr 7 Writing
Monday 4/9 Periods 5 and 6	Yr 9 Writing
Tuesday 5/9 Periods 1 and 2	Yr 7 Omnibus
Tuesday 5/9 Periods 3 and 4	Yr 9 Omnibus
Friday Periods 1 and 2	Catch up tests

Students are requested to bring with them a set of headphones to the test if at all possible as students will need to hear aspects of the examination being read.

Thank you in advance for your anticipated support with this issue. If you require additional information, please contact me by telephone on (02) 9399 3122.

Yours sincerely,

Miss Emma Payne

Head Teacher English

Guiding young men to success

Fact sheet for parents and carers

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for students in Years 3, 5, 7 and 9. Planning has begun to move NAPLAN from a pen and paper assessment to an online assessment.

What are the benefits of NAPLAN Online?

Results will be faster and more precise

- Your child's individual results will be returned to you within just a few weeks of the NAPLAN testing.
- Online assessment will reduce the time it takes to mark and provide feedback to schools, teachers and parents.
- Improved precision and timing of results will help teachers to tailor their teaching more specifically to address students' learning needs.

Tailored tests will provide better assessment

- The online format allows for 'tailored testing', where the test adapts to a student's performance and asks questions that match their achievement level.
- Students in each year level start with the same set of questions which can then branch into a different set of questions based on their responses to the first set of questions.
- This means that students will be directed to questions that may be easier or more challenging depending on their responses.
- This test design will allow students to better demonstrate their literacy and numeracy skills.
- Students find online assessment is more engaging*, which means they are encouraged to persist longer and try harder.

* Research by the Australian Curriculum, Assessment and Reporting Authority (ACARA) into online assessment has shown that students have engaged well with electronic tests.

NAPLAN Online School Readiness Test

NSW schools will participate in a school readiness test between 14 August and 22 September 2017.

The school readiness test is a 'practice run' for schools to assess their technology ahead of NAPLAN Online. The readiness test is not an assessment of student ability. The readiness test allows schools to:

- become familiar with the NAPLAN Online test format and processes
- check whether they have the technical capacity, rooms and devices to administer NAPLAN Online
- provide students in NAPLAN years 3, 5, 7 and 9 with the opportunity to experience the online test question types and format by completing a practice NAPLAN online test.

For more information

Parents, students and schools interested in familiarising themselves with the NAPLAN Online format can access the NAPLAN Online demonstration site that includes sample tests for each NAPLAN year. Use the following link:

<http://www.nap.edu.au/online-assessment/naplan-online/naplan-online-public-demonstration-site>

Further information about NAPLAN Online is available on the national ACARA website:

<http://www.nap.edu.au/online-assessment/naplan-online>

Contact your school principal or visit the ACARA NAP website for more detailed information:

<http://www.nap.edu.au/online-assessment/online-assessment.html>

Education
Centre for Education
Statistics & Evaluation

Tell Them From Me parentsurvey Frequently Asked Questions (parents and carers)

Centre for Education Statistics and Evaluation

1. What is the Partners in Learning parent survey?

The Partners in Learning parent survey is part of the *Tell Them From Me* suite of surveys on student engagement. The parent survey helps to clarify and strengthen the important relationship between parent and school.

The survey is designed to measure, assess and report insights from the parent point of view at the school and system levels. The focus of this NSW survey is on student wellbeing, engagement and effective teaching practices.

2. What kind of questions will the survey ask?

The survey questions aim at understanding parents' perspectives on their child's experience at school, including teaching, communication and the school's support of learning and behaviour. The survey also aims to understand parents' perspectives on activities and practices at home related to their child's learning.

The survey will ask parents questions about:

Parents feel welcome	Parents are informed	Parents support learning at home	Parents participation at school
School supports positive behaviour	Safety	Inclusion	School supports learning

3. How have schools been selected to take part?

The survey is open to all NSW government schools at no cost to them. Your school has decided to participate.

4. How will taking part in this survey benefit my child's school?

The parent survey provides school principals and school leaders with parents' perspectives on their school as well as learning at home. Communication between parents and staff, activities and practices at home, and parent views on the school's support of learning and behaviour help build an accurate and timely picture that schools can use for practical improvements.

Data collected from the survey responses are quickly compiled into reports for school leaders. Principals can then use this information to help them identify emerging issues and plan for school improvement.

5. How does the parent survey relate to the student survey?

The parent survey is complementary to the *Tell Them From Me* student survey that your child may have been asked to complete. These surveys are offered (along with a teacher survey) to ensure schools can capture the views of students, teachers and parents.

For more detail on each of the surveys, see the survey website: <http://surveys.cese.nsw.gov.au/>

6. What do I need to do to participate in the survey?

The survey typically takes 15 minutes and is conducted entirely online through a secure website operated by the survey developers, *The Learning Bar*. You will be provided with a link to complete the survey at home or your school may make computers available so that you can complete the survey during school hours.

7. Do I need to participate?

No, participation in the survey is optional. Whilst your responses are very much appreciated, if during the survey, you feel uncomfortable, you can stop the survey at any time. The majority of questions in the survey can be skipped.

8. Will the school be able to identify me or my child from my responses?

Staff in schools will not be able to identify individual parents or students from parent responses. To protect parent anonymity, schools will be provided with a single username and password for the school prior to the start of the survey period. This username and password will then be distributed to parents. Data suppression rules are applied to the school reporting tools where there are fewer than five responses.

9. What sort of analysis will be done of the survey data?

Once the surveys are completed, reports are prepared and in most cases are available to schools within three business days. School leaders can use the data to better understand the experiences and views of parents at their school.

CESE will undertake state-wide analysis of the survey data in conjunction with existing student data held by the department, including performance data. The results will help all schools better understand the relationship between parents and students' engagement, students' wellbeing, effective teaching and student learning. Results from CESE's analysis of this data will also help teachers and principals discuss what works to improve student outcomes. This supports the department's continuing focus on quality teaching and leadership. The data will be retained for future analysis to help us better understand the nature of student engagement and wellbeing over time.

10. When will the Partners in Learning survey happen?

The surveys will be conducted in all participating schools between Monday 21st August (Week 6, Term 3) and Friday 13th October 2017 (Week 1, Term 4).

What is CESE?

The Centre for Education Statistics and Evaluation (CESE) is part of the Department of Education.

CESE has been established to improve the effectiveness, efficiency and accountability of education in New South Wales.

CESE will identify and share what works, creating new opportunities to improve teaching and learning across all of education.

More information about CESE is available at: www.cese.nsw.gov.au

What is *The Learning Bar*?

The Learning Bar specialises in research-based design and facilitation of student assessments and survey solutions for both primary and secondary students. The in-house research team led by the President, Dr J Douglas Willms, undertakes extensive projects used in the school system to effect national policy. It is against this research that the survey, *Tell Them From Me*, has become the largest national school survey in Canada, used in nine of the ten provinces. More than 4,500 schools and 3.5 million Canadian students have participated in the survey over the last twelve years.

Dr Willms holds the Canada Research Chair in Literacy and Human Development and played a lead role in the development of questions on student engagement for the OECD's Programme for International Student Assessment (PISA).

More information about *The Learning Bar* is available at: www.thelearningbar.com

If you have any questions about the parent survey, please contact CESE via email: TTFM@det.nsw.edu.au or by telephone: 9561 8056 / 9561 8370.

Events for HSC Students

De-stress and Ace the HSC

*Two great workshops
on stress reduction
and effective
HSC prep*

The Month Before the HSC

Tuesday 5 September 5.00 – 6.30pm

How to make the most of your final month of study time! Hosted by author and facilitator Rowan Kunz, this workshop will focus on teaching students effective techniques that help them organise their studies for the HSC.

- Discover how to review your Trial HSC performance to improve your results;
- Learn how to create a study plan for the month before the HSC;
- Uncover how to boost memory retention;
- Find out what to do the night before an exam.

HSC Stress Management

Tuesday 29 August 5.00 – 6.30pm

Learn to cope with stress and stay calm! Facilitated by Life Lessons, this workshop will focus on HSC stress management and developing your own personal strategies to deal with pressure.

- Learn what stress is and how it affects the human body and mind;
- Discover strategies to deal with stress;
- Learn more about personal action plans.

Cost: \$5.00 per workshop, pay on the day.

Lionel Bowen Library

HSC Stress Management: Tuesday 29 August 5.00 – 6.30pm
