Colour Run

From the Principal

Year 12

Year 12 students have now entered their final week of secondary education. I would like to remind all students and their parents that we have the Graduation at South Sydney Juniors next Thursday 21st September at 6pm. Year 12 families are reminded that each student is welcome to bring 2 parents/guardians to witness their graduation and join us for dinner.

The Year 12 Formal will be held at L' Aqua at Darling Harbour on 19th November from 7pm. All payments for the formal need to be finalised by Wednesday next week.

As Year 12 draws to the end of formal lessons, students are reminded that they are expected to end their schooling with dignity and respect and not participate in any silly, childish or immature behaviour that will cause a negative impact on themselves or our school. They were reminded of their responsibilities at an assembly this week. Consequences for inappropriate behaviour were also discussed and will be utilised if needed.

Parents and Citizens

I would like to thank the parents and citizens for their organisation of the cake stall and BBQ last weekend during the council election. Your efforts are appreciated and we thank you for your support.

L Raskall
Principal

.....

Reminder to Year 12

RBHS Formal

19th November at L'Aqua, Cockle Bay, 7pm

Payment for Formal tickets due immediately

Tickets are \$110 per person
Please make your payment direct to office

Any queries Yiannis Kotopoulos or Adam Attia

- Guest speaker Matt Thistlethwaite
- Arduino presentation with Paul Bunn

Birgit Schickinger
P & C President

Congratulations

Graeme Wong, an ex-student who finished his HSC in 2006, was just conferred with his PhD in Astrophysics.

Graeme is the first in his family to have attained this high academic rank, and his academic peers have high expectations that he will excel in the future in the academic and astrophysics research field.

Well done, Graeme and best wishes for your future endeavours in your research fields.

N Frougas
Acting Deputy Principal

.....

School Uniform

Year 12 parents and students, please consider donating your school uniform to the school when you leave next week.

We would especially appreciate school blazers, school ties, any jackets and white collared shirts.

You may leave them at the front office.

Thank you.

Admin

Election Day

'Thank You' to everyone who helped with the Election Day Sizzle and Cake Stall, especially all boys who were there and represented their school with much pride, all being polite, presentable and ready to help.

The proceeds from Election Day will flow back into the school and the leftover food was donated to charity.

Birgit Schickinger
P & C President

School Leaders Induction Ceremony

Colour Run

This week Randwick Boys' celebrated R U OK Day in order to raise awareness about mental health and how to support others in need.

This year we participated in our own Colour Run to raise funds for the Thomas Kelly Youth Foundation. The Colour Run was not only an opportunity to move for positive mental health but also to build school spirit through our shared fundraising goal.

We are extremely proud to have raised \$800 for the Thomas Kelly Foundation and are looking forward to hosting an assembly to present it to the foundation.

On a personal note, I would like to thank all the boys who participated in the Colour Run and my posse of helpers on the day. You all showed great spirit and generosity. I am extremely proud of you. I would also like to thank our amazing SAS staff and all the wonderful teachers who gave their time to support such a great cause. We all had a blast!

Leah Pappin
Head Teacher Well-Being

AROUND THE GROUNDS

Summer sport 2017/18 – Round 3

SPORT	OPPONENT	SCORE	
		RBHS	Other
Basketball 1s	Ashfield	50	44

Volleyball 15s	Ashfield	2	1
Volleyball 14s	Bye		
Water polo 1	Normanhurst	8	3
Water polo 15s	Normanhurst	3	2

Having Rugby return back to where it belongs, on home soil, was spectacular over the winter competition. Equally, oztag is now the main attraction held on the school's oval throughout the summer season. Our boys must have brought the weather with their performances, as they put on a clinic across all grades. More importantly, our boys showcased sportsmanship toward the opposition during all matches.

Once again, students are to ensure they check the weekly sport organisation every Monday to follow the draw fixture. Good luck to all teams in the last week of competition for Term 3 against Asquith, Epping and Normanhurst.

Athlete of the week

Nick Tranchero

SPORTS QUOTE OF THE WEEK

P Noreika
Sport Coordinator

RBHS grade continues to ride the wave

In the third round of grade competition, our boys played hard in the thick of 30-plus degrees conditions. RBHS have successfully continued their winning fortunes with clean sweeps in: water polo (opens) 1st & 15s, tennis (opens) 2nd & 14s, oztag (opens) 2nd, 15 As & Bs, futsal (opens) 1st & 2nd and basketball (opens) 1st, 2nd, 15s & 14s!

Notification of night work – Randwick

In planning for Tomorrow's Sydney we are building a new light rail line to provide modern, reliable and sustainable public transport that will transform services from Circular Quay and the CBD, to Kingsford and Randwick via Surry Hills, Moore Park and Kensington.

Standard work hours are Monday to Friday 6am to 6pm and Saturday 8am to 5pm. This notification is for approved work that falls outside the standard working hours. This work will be carried out on the below dates and times to minimise disruption to traffic and to maintain the safety of construction work, residents, businesses and the general public.

Details of work activities

Work will take place at the following locations and at the following times:

- **High Street, between Avoca Street and Wansey Road, and nearby cross streets**
Friday 1 September 2017 to Saturday 30 September 2017, 7pm to 5am.

Activities involve geotechnical investigations (surveying and potholing), utility investigation, protection and relocation, heritage work, vegetation works (including tree protection, trimming, mulching, relocation and removal of trees and shrubs), movement of ground fill, excavation and ground stabilisation work, trenching, concrete pours, pavement work (includes asphaltting, footpath and pedestrian crossing relocation, line marking and removal, median strip removal, kerb and gutter work), road reinstatement, track construction, stormwater installation, pile foundation installation, traffic signals and signage.

Please note: Work may also take place on nearby cross streets including Botany Street, Eurimbla Avenue, Hospital Road, Clara Street, Wansey Road, Belmore Street, Avoca Street and Cuthill Street for a distance of up to 50m from High Street. Work may also occur up to 200m west on High Street from Wansey Road.

There is ongoing night utility relocation work on **High Street between Avoca Street and Clara Street from Monday to Sunday 6pm to 5am**. This work is expected to be finished in two months.

You may experience some noise and vibration during this work. High noise activities such as saw cutting and jackhammering will not take place for more than two consecutive nights (weather and traffic permitting).

Equipment and vehicles used for this work may include radar detection and survey equipment, concrete trucks and pumps, flood lights, vacuum excavation trucks, coring and drilling machines, excavators, cranes, saw cutters, road grinders, tipper trucks, hand tools, water carts, semi-trailers, chainsaws, street sweepers, spray seal trucks, traffic signage, barriers and traffic control vehicles.

Traffic and pedestrian changes

For the latest information on traffic conditions, visit livetraffic.com or download the Live Traffic NSW App.

Parking may be temporarily removed in stages on side streets where required for these works.

Work will involve some lane closures and minor diversions under traffic management. They will commence at night **from 8pm west of Clara Street, and from 6pm on High Street between Clara and Avoca Streets**. Some minor delays may be experienced. Where required, traffic control will be in place to direct motorists and pedestrians safely around the operations. Access for emergency services and local residents will be maintained at all times.
