SCHOOL TOUR FOR  
CLASS OF 1968,  
28TH NOVEMBER

## From the Principal

### Year 9 exams over. Year 8 next week

We are almost finished the examination period for the yearly exams.

Year 9 completed their exams last week. Year 8 complete their exams next week. We wish all the students well during this busy time of year. Staff are now busy marking exams and practical components for assessment. Following this, yearly reports will be finalised and issued at the end of the term.

### Year 10 Work Experience

Year 10 students will complete work experience for two weeks, starting on Monday 26th November and finishing on Friday 7th December. Some students have indicated that they would like to experience a trade. To be able to set foot on a work site, students need to have completed, as a minimum, a 'White Card' course regarding safety. Mr Dimopoulos, Careers Advisor, has organised for a

small number of Year 10 students to complete the course. If interested, please contact Mr Dimopoulos.

### Duke of Edinburgh

When you receive this newsletter on Friday afternoon, some of our students will be preparing to camp overnight in the Blue Mountains. Ms Munro and Mr Dimopoulos have organised a three day trek for students completing the Silver and Gold levels of the program. We thank them and all students, for participating.

### Early Leavers from School

From time to time, students are required by their parents to leave school early. On all occasions, we require written authorisation from parents to be able to approve this. This is especially important on sport afternoons (Wednesdays) when large numbers of students are off site at different venues.

Students should bring their parental letters to the Deputy to get signed. Letters are then taken to the rolls office where the early leave is logged on our system.

### Award-Winning In-School Theatre Performances

#### Verbal Combat

On 07 December, Brainstorm Productions will be presenting their student wellbeing program 'Verbal Combat' for **Year 7 students**.

Words are powerful. Words can hurt and cyber bullying is devastating. Verbal Combat is a live theatre program that follows three friends who learn that their online words can last forever. The desire to fit in and be liked is strong and when one friend starts to post witty, but mean rumours to get more online likes, the play takes a cruel twist. All too soon, the posts are wreaking havoc in all their lives and the characters quickly discover that there is no easy way out. Verbal Combat is essential learning, that addresses the dire consequences of cyber bullying and will help students understand that their digital footprints are hard to erase and so are their mistakes.

Verbal Combat is part of our student wellbeing curriculum and the program has been developed in consultation with teachers, psychologists, as well as real-life student experiences. The methodology of the program is safe, supportive and nonjudgmental and designed to provide students with positive and useful tools that they can use in their everyday lives.

More than 350,000 Australian students have already benefited from Brainstorm Productions multi award-winning educational theatre programs over the past twelve months. Their programs cater to the specific wellbeing needs of students, helping to create a healthy and harmonious school environment. If you would like to know more about Brainstorm Productions, visit their website at [www.brainstormproductions.edu.au](http://www.brainstormproductions.edu.au)
