4 Easy Steps to Trivia Night Bookings

1 Get a group of friends together

Why not have a reunion, team building event or simply organise a team to get to know new parents from your son's year. Invite your friends, family, workmates or old school mates. All adults over 18 are welcomed. Organise a team or join someones team. New to Trivia ? Don't know anyone coming? Call Adriana on 0433544449.

2 Think of a team name

The team name is what will be placed on your table so our host (Jason Montgomery from underbelly) can keep tally of the teams score. When booking your ticket, knowing your team name is a must, we will then know where to seat you and send your pizza. Can't think of a name Google one. Once you think of your team name let your friends know so they can go online and book their tickets and pizzas.

3 Pizza

Pizza Moncur , You need to purchase your pizza by logging on to the link. Freshly cooked pizza will be delivered straight to your table on the night. Ordering deadline 16th May 11pm. You need to know your team/table name when ordering for correct delivery.

4 Tickets

Follow the link <https://www.trybooking.com/375949> and there are easy steps on how to book your ticket and purchase your pizza.

- ✓ You must have a team name for your ticket and pizza purchases
- ✓ Yes you may purchase up to 14 tickets in one transaction by following the link
- ✓ Yes you may just pay for your own \$25 ticket by following the link
- ✓ Yes you may make multiple purchases on different days
- ✓ You can pre-order your individual pizza with the purchase of a ticket or on separate occasions by following the link
- ✓ You may purchase multiple pizzas
- ✓ Wine glasses are provided for each ticket sold
- ✓ BYO Food and Beverage event, if you're ordering a pizza you may also like to bring a nibbles to have before dinner.

From the Principal

Randwick Boys' High School - Trivia night

Tonight is the night! The Randwick Boys' High School Trivia night is on once again! A HUGE thank you to our wonderful P & C for organising the event. I would also like to thank the community for supporting the night and participating in the fun. A special 'Thank You' to Adriana Skleparis for coordinating once again. Adriana does a tremendous job each and every year and we all really appreciate her efforts. The community has once again supported our cause with some outstanding prizes and raffle items and I thank all the companies that have generously donated items. I will have more to say next week, after the event has taken place.

Year 7 Half-Yearly Exams

The Year 7 Half-Yearly exams begin on Monday. Other than NAPLAN last week, this is the first official exam period for our Year 7 students in their journey through High School. We wish them all the best and we are confident that their hard work and study habits will be rewarded.

Chess

Last Friday, May 11, our chess team played Reddam House.

Our team has two Year 8 students - Justin Shao and Ivan Samsonov - and two Year 7 students - Nathan Arif and Aidan Beck.

We won 4 - 0.

Congratulations go to our students for the excellent manner in which they represented our school.

On Friday, May 18, our team will be at Sydney Girls' and hoping to repeat last week's success.

Legal Studies incursion

The National Children's and Youth Law Centre is a national community legal centre that provides early intervention, primary prevention, legal advice and general referrals to children and young people aged under 24 years. The Year 12 Legal Studies students have been studying young offenders and the law as part of the core content of their HSC course.

To help bring this topic to life, last Friday, 11 May, it was a pleasure for RBHS to welcome to the School Matthew Keeley, the Director of the National Children's and Youth Law Centre, and Maree Selvaraj, the Centre's Projects and Operations Officer. After a short presentation about *doli incapax*, the age of criminal responsibility and some of the theoretical underpinnings, the bulk of the incursion was spent in an activity with the students to get them analytically thinking about how these laws and principles work in a mock scenario.

The students clearly enjoyed the incursion and asked numerous insightful questions. Our thanks are extended to the National Children's and Youth Law Centre for taking the time to visit our School to engage our students.

Kicking goals

Well done to most teams on their successful results this week. Some tough wins, but we have made a statement and are looking very good moving into Round 6. There were certainly some displays of positive team cohesion, great enthusiasm and fantastic individual performances.

The rugby grade sport competition is back to 15-a-side, and it brought plenty of smiles to faces. Rugby on RBHS oval found Randwick 'too hot to handle' by domination sideline to sideline. Great to see boys excited about playing for the person next to them and demonstrating a sense of maturity. Coaches have unquestionably created an aura of connectedness and grit.

Dominating tables

Congratulations to the following four students:

Henry Jones- Yr 8- Bronze Medallist (Junior)

Wenze Li- Yr 8- Bronze Medallist (Junior)

Jack Crawford- Yr 8- Repechage Runner up

Ben Royston- Yr 10- Repechage Runner up

These students competed at the Secondary NSW Schoolboys' Table Tennis Competition on Monday and achieved outstanding results. Coach Mr Sharma was impressed with the tenacity the gentlemen displayed. There were plenty of quality touches that found the boys all reap spots in the final stages.

The boys have added a great edge to Randwick Boys' HS, especially in the sporting arena, and we wish them all the best in future endeavours.

SPORTSMASTER'S REPORT

The introduction of programmed sport this year has proved a great success and has provided a sound basis upon which to work for the ensuing years. The real benefit may not be noticed for a few years, until the present 1st Form has completed the four-year programme. However, within the next year or two, some progress is certain to be noticed.

At present, pupils are most interested as a result of more challenging activities and the fact that there is a definite pattern to follow. The senior pupils, who have co-operated in the instruction and organization, have been a tower of strength to the system and have consolidated the respect of junior students as a result. Referees in Rugby and Instructors at Life Saving have also performed most admirably.

Grade sport has possessed the true spirit set up by past tradition, and successfully functioned as a result of the vigour and energy of members of staff who took grade teams.

Summer competitions are still in operation, and will not be decided until later in the year except for Senior Grades. These competitions are complete and include a number of premier teams. The 1st Grade Basketball team was equal premier, while the 2nd and 3rd grade were outright Zone premiers.

In Open Cricket, the 1st grade team was unfortunately defeated by Sydney Boys' High for the Zone premiership but 2nd grade was successful, being undefeated during the season. This adds to the list of undefeated premierships, as 2nd and 3rd grade Basketball were also undefeated.

Cricketers to excel this year were captain Steve Curran and Donn Ledwidge, who both achieved pleasing results in C.H.S. competition.

Swimming is always of a high standard, but this year reached its pinnacle with the selection of Neil Rogers for the Australian Swimming Team to represent at the Empire Games in Edinburgh. Neil and his brother Greg have been great assets to the school in all fields of sport, but more particularly swimming.

Unfortunately, the School Swimming Carnival was disturbed by rain, and Championship events only were run.

Records were broken in the following events:—
Open 100 metres Butterfly — 1.6.0. 13 years 50 metres Breaststroke—43.8.

Age Champions—Open—Neil Rogers; 16 years—Barry Bunton; 15 years—Peter Bennett; 14 years—Roger Miley; 13 years—Greg Tucker; 12 years—Darrel Cairnduff.

Winter provided excitement, with entry in three State Knockout Competitions. First Grade Rugby entered in the University Shield, as well as the Waratah Shield, while First Grade Soccer entered in the Tasman Cup Competitions.

The Rugby Team defeated 1969 Winners of the Waratah Shield, Epping, in a thrilling match and went to the semi-final where they were defeated, because they appeared to have lost some form in

this match. But another upset came when Maroubra Bay defeated them in the Zone Competition most convincingly to take a well deserved Premiership Win.

Premierships, however, were won by 2nd Grade Rugby and 16 years Rugby, to result in one of the leanest years for some time.

In Rugby League, the 9 stone 7 team was successful in winning the South Sydney Knockout, but unfortunately was defeated in the last round by Enmore before going into the final. This team performed well due to the efforts of Mr. Miller, who put such effort into the preparation of the side, as did Mr. McLennan with the 1st grade Rugby team.

For the first time for six years, 1st Grade Soccer has won a premiership and has done well under the guidance of Mr. Wall, its coach. The team's performance in the Tasman Cup was excellent and even though defeated by Newcastle Boys High, the team consolidated and welded into splendid harmony. Other Soccer teams made the final four in all cases, but only 14A Soccer was successful in winning a premiership.

Hensley Athletic field proved an excellent area for the School Athletic Carnival. The facilities at this field for athletics are of a very high standard and the assistance of Mr. Ken Steward was greatly appreciated. Competitors were enthusiastic and participated well, but it was unfortunate that 6th Form could not attend because of examinations. There were many outstanding performances by the recognised athletes — which showed out at the Zone Carnival when performances by our representatives resulted in second place to Sydney Boys' High.

The operation of Programmed Sport has depended largely on the co-operation of members of staff. All staff have assisted to their fullest capacity and showed that such a system is far superior to the outmoded House Competition. To these members of staff, and more particularly to the staff on grade teams, I express my gratitude on behalf of the pupils for a dedicated effort, in many cases under extreme difficulties.

Grade coaches have welded teams together and have fulfilled their objectives. Particularly with Senior Teams, in their last year in the school has this atmosphere been evident and has directed a sound example to Junior teams and their coaches. The extra hours that teachers such as Mr. Alexander, Mr. McLennan and Mr. Fletcher have put in are responsible for this feeling.

Mr. D. CHAPMAN, Sportsmaster.
