A Safe and Healthy School

Does your son have a medical condition about which the school should be aware? Has his medical treatment for an existing condition changed?

We may need to implement a Health Care Plan to support your son at school.

If you learn of a medical condition about which the school should be aware or if your son's treatment changes for an existing condition, please let the school know so that together we can maintain a safe and healthy environment for all students.

Arriving at school on time

The school would like to enlist the support of all parents and carers to ensure that students arrive at school on time, before 8.50am each day.

Students are required to be at school at this time in order to attend Roll Call at 8.50am on Monday, Tuesday, Thursday and Friday, and assembly on Wednesday. Roll Call involves the roll being marked and important daily information being provided to support students' ability to learn and engage with school. Roll Call is not an optional period – it is a compulsory part of the school day which every student is required to attend.

In terms of preparing students to assume a role in the workplace, punctuality is an important skill, critical to a young person maintaining their employment.

Administration

Year 11 English Chinatown excursion

On Tuesday, 4th September, our Year 11 English Studies class went on an excursion to Chinatown as part of our unit on 'Travel'. Although we had all been to Chinatown before, this was the first time we really paid attention to the interesting and diverse culture on display in this little pocket of the CBD. We were all given time to explore on our own and document our 'travels' through an annotated photo journal. The highlight was enjoying lunch together (although we must have obviously looked like 'tourists', as the waitresses automatically gave us a fork instead of chopsticks). After lunch, we took a relaxing stroll through the Chinese Garden of Friendship, a lush garden oasis in the middle of the city's grey roads and concrete. All in all, it was an enjoyable experience which has inspired us to start planning our own overseas adventures. Thanks to Ms Pappin and Ms Munro for helping to organise the afternoon.

I think that each strip from this DNA-look sculpture symbolizes each person, group or team of the Chinese Australians during the wars.

| Water polo 1 | Homebush | 6 | 3 |
| Water polo 15s | No match | | |

RBHS grade season off to a flyer!

'Kicking off' for the first round of the grade sport competition, many of our teams came away with the W! Clean sweeps for our basketball boys, futsal fanatics and water polo warriors!

Match of the round (oztag 1s v Homebush) - what a way to start the season, with a cracking contest for our opens oztag contingent who managed to come away victors 5-4! Coach Mr Jackson was impressed with how his side handled the close encounter, both sides scoring and taking blows. The match went tit-for-tat until a last minute try by Miguel Montoya Brohoquis to seal the victory.

Please remember to check the sports notice board every Monday during the season to follow the draw fixture throughout the season. Good luck to all teams next week for round 2!

SPORTS QUOTE OF THE WEEK
