White Ribbon Walk

The annual Randwick Council White Ribbon Walk, starting at the top of Coogee Bay Road and walking the length of Coogee Bay Road to the beach, followed by a ceremony in the park next to the water, will take place on Friday 22nd November. School Captain, Freddy Whalebone will host the ceremony, along with leaders from other schools. Ms Austen has organised a group of students from RBHS to attend. Mr Benson has organised the annual activities at the school, including Year 7 students speaking with students from Randwick Girls' HS. I would like to thank all students and staff involved in the White Ribbon activities.

Year 7 2020

We have finalised our enrolments for Year 7, 2020 and we look forward to welcoming 125 students to Randwick Boys' High School. Unfortunately, we cannot accommodate all enquiries and, like other years, over 25 families have been unsuccessful with their applications to our school. Ms Batoul Al-Anbagi, Year 7 Advisor for Year 7 next year and Ms Therese Betros, HT Science and Transition Advisor, have been visiting local Primary schools and speaking with most of the 125 students. From all reports, we have another brilliant cohort of students attending in 2020 and look forward to welcoming them and the families becoming part of our school community.

Dear Parent/Caregiver,

Randwick Boys' High School prides itself on the opportunities it provides to all of its students to reach their potential, to understand their worlds and to reflect on their experiences.

On **Thursday 21st November**, we will be participating in The Colour Run in order to raise funds for our local women's shelter, Bayside. This initiative is part of a three year commitment Randwick Boys' Year 10 cohort has made to raise much needed funds for the shelter in order to resource the centre. Our Year 10 students have participated in the *Walk the Talk* training day, run by Enlighten Education, and this is our first initiative to support the work of the our local refuge in a meaningful way whilst also fostering individual and collective wellbeing at Randwick Boys' High School.

It is our responsibility to seek permission for your child to participate in the **School Colour Run**.

All measures have been taken to ensure that this event is safe for all students. There will be various colour powder stations throughout the course as students complete laps of the school oval being blast with colour!

The volunteers will do their best to throw the powder at the torso, however wind and other factors can cause the powder to protrude on the face. For this reason, included in the cost of registration is a pair of protective sunglasses.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely washout of your son's clothing, however we recommend that your son brings to school a white shirt that you don't mind being coloured. That's what the event is all about! Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use of the products poses a low level of toxicology risk. The product is considered safe for use.

For those parents and guardians who consent for their child to participate in the event, **DON'T FORGET** to bring a white shirt and a towel to school before the event. **It is also essential that students bring a bandanna or face mask to protect their mouth during the run and that they are wearing enclosed shoes.**

Get ready for a **BLAST OF COLOUR** and thanks in advance for your support! Happy fundraising!

Please complete the consent form on the back of this letter and return the form along with your **\$15 Registration Fee** to the front office or online www.randwickb-h.schools.nsw.edu.au/our-school and select the 'Make Payment' option, no later than **FRIDAY 8TH November**.
