## Year 9 Marine Biology water safety training

## From the Principal

### Meet the Teacher and welcome BBQ

I would like to thank all parents, guardians, students and staff who attended our annual Meet the Teacher and Welcome BBQ on Tuesday. It was wonderful to see so many parents/guardians attend and talk to our staff. I would like to extend the thanks to our brilliant P & C and Student Representative Council who provided a BBQ for staff and visitors on the night. One of our Vice-Presidents, Lyn, coordinated the BBQ and was ably assisted by many helpful parents and students. Thank you all for your support!

### Open Night – Tue 5<sup>th</sup> March 5.30 – 7.30

As part of our exceptional school community, you are all strong advocates for our school. Could I please ask you to advertise our School Open Night with friends, Primary School contacts etc? This year, our Open Night will be held on Tuesday 5<sup>th</sup> March beginning at 5.30pm in our school hall. This is the evening that we showcase our amazing students, staff, programs, initiatives, supports and opportunities! We are always excited to do so and this year is exactly the same. Again, our P & C will be providing a BBQ at the end of the school tours and we thank them for their support, as always!

### Year 11 subject changes

Year 11 subject changes have now closed. Year 11 students are now 'locked in' with their pattern of study for the next two years. I would like to thank Ms Cassar for her work ensuring the majority of our students have access to the subjects that they wish to study for the Higher School Certificate.

### Year 9 subject changes

Year 9 students have 5 days to tweak their pattern of study next week (4 – 8<sup>th</sup> March). Year 9 chose electives last year and have the 5 day period to complete minor changes, if allocations regarding class sizes etc allow. From Friday 8<sup>th</sup> March, Year 9 will also be 'locked in' to their pattern of study for the next two years.

### Summer sport finals

It was wonderful to have four teams compete in the Summer Sport Finals on Wednesday. Compared to some of the schools we compete against, we are a relatively small school, in terms of student numbers. We are a HUGE school in terms of sporting participation and success, particularly in Grade Sport! Opens Waterpolo made the final against a strong Epping team. Our students played well, however, were defeated by a stronger team this season. Our U15 A and B OzTag teams also made the final. The B's were narrowly defeated by a stronger Epping team, however our A's played extremely well and won handsomely. Our Open OzTag team also played Epping and, after extra time and a drop off of players, they were winners in golden point! The students should be proud of their achievements and their success will be celebrated at our Annual Sports Presentation Day at the end of 2019.

I would like to thank our sensational staff who train and coach our students in various sports. A particular 'congratulations' to our Grade sport coaches, especially those who made the finals this year, Mr Bester, Mr Bladwell and Mr Jackson.

### RBHS refereeing soccer

Last Friday, many of our talented soccer players attended Randwick Girls' High School and refereed Zone Girls Open Soccer Trials. Our students were praised by all visiting staff and students. Mrs Hodder, Sports Coordinator from Randwick Girls' HS wrote:

"Every one of your boys were polite, respectful, enthusiastic and helpful. They did a fine job. There were times when the rain got quite heavy and they did not complain at all and just got on with the job. Congratulations to you on having such fine students representing your school". Well done, gentlemen. Your actions, deeds and the way you represent us, are always noticed and celebrated! I would like to thank Mr Noreika, RBHS Sports Coordinator, for coordinating the event.

THE FOUNDATION FOR LIFELONG LEARNING

## International Women's Day

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

International Women's Day (IWD) has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people in Austria, Denmark, Germany and Switzerland. Prior to this the Socialist Party of America, United Kingdom's Suffragists and Suffragettes, and further groups campaigned for women's equality.

Today, IWD belongs to all groups collectively everywhere.

International Women's Day has become a time to reflect on progress, to call for change and to celebrate the courage and determination of the women who changed history, and those who will advance gender equality into the future. International Women's Day is an occasion to review how far women have come in their struggle for equality, peace and development. It is also an opportunity to unite, network and mobilise for meaningful change.

I look forward to seeing Randwick Boys' participate in the Send me a Selfie competition in acknowledgement of the important women in their lives.

Dear Parents/Caregivers,

## WORLD OF MATHS ROADSHOW

Numeracy is a compulsory component of our curriculum and to make numeracy fun and relevant to our students, we have arranged for the World of Maths Roadshow to visit Randwick Boys' High School. The World of Maths Roadshow is an ideal opportunity for students to see how Maths is applied to some real life situations.

More importantly, students will be engaged in hands-on activities that will cater for all ability levels and challenge their problem solving skills. It is a highly engaging session which will show students that Maths is fun!

**Date:** 21<sup>st</sup> March 2019

**Cost:** \$5.00

Please fill in the slip below and return to the front office by Tuesday 5<sup>th</sup> of March 2019.

### Eastern Suburbs Teachers Association Campaign

ESTA, the local association of the NSW Teachers Federation, represents teachers and promotes public schooling in our area. This year marks the 101<sup>st</sup> anniversary of Federation, and we are continuing to campaign for fairness in education and the community.

Over the next few weeks, ESTA members at RBHS are collecting food and toiletries on behalf of the Newtown Asylum Seeker Centre. Donations of these items are distributed to refugees in Sydney who are very frequently facing extreme hardship in the provision of basic necessities.

Teachers Federation members of Randwick Boys' would welcome the participation of the school community in this project. Below is a list of items that are most urgently sought by the Centre. If you would like to assist, please send in a grocery item or two with your son during March. He can bring it to Mr Benson in Staffroom Two any time this month!

Breakfast cereal (Cornflakes are popular!)	Coffee (instant)	Long life milk (1 litre containers)
Canned beans (chickpeas, red kidney beans, mixed beans)	Condiments (honey, jam)	Cooking oil (vegetable, 1 litre containers)
Dried fruit (apricots, prunes, dates)	Dried lentils (red or green)	Nuts (mixed, pistachios, cashews) and sunflower seeds
Noodles (instant)	Pasta sauce	Rice (1kg bags, Basmati is the most popular)
Soup	Spaghetti	Spices (chilli, curry powder, turmeric etc.)
Tea (black, green, or chamomile)	Tinned fish	Tinned fruit
Tinned vegetables (corn, tomatoes, mixed vegetables)	Tomato paste	Toothbrushes
Toothpaste	Deodorant (for men & women)	Nappies (mainly toddlers sizes 10kg+)
Laundry Powder	Dishwashing liquid	Moisturiser
Razors (disposable)	Sanitary pads	Shampoo
Shaving cream	Shower Gel / Body Wash	Soap

## Summer grade 2018/19 grand finals wrap up

The term 'never say never' certainly applies for our opens Oztag 1s team as for the first time in the school's history, RBHS are crowned champions of the zone! A nail biting finish, going in to a sudden death golden point finale. Congratulations to coach Mr Jackson and his troops.

The future certainly looks bright with our juniors 15As putting on a masterclass performance, crushing their opponents (11-2). A gutsy effort from our development side who narrowly went down in their final. A big thank you to coach Mr Bester for developing our juniors program throughout the season.

In the pool, coach Mr Bladwell stated, "The physicality of the Epping side was difficult for our younger team. Our boys should take pride in making the grand final."

On a personal note, I would like to thank all of the grade sport coaches for giving up their time and efforts to support our boys' interests, which flourish outside of the classroom environment. Good luck to all of our athletes in the next coming weeks who will be trialing for winter grade sport teams for 2019.

## CAMPUS REDEVELOPMENT

Community Notice – March 2019

## Community Notice - March 2019

Randwick Campus Redevelopment site establishment and early works are well underway. Final preparatory works will be undertaken throughout March and early April to prepare for construction of the new Prince of Wales Hospital Acute Services Building.

Randwick Campus Redevelopment complies with strict environment and planning controls. Mitigation measures are in place to manage noise, dust and vibration. We are working closely with Transport for NSW, CBD South East Light Rail and UNSW to manage and coordinate construction in the area.

The health and safety of patients, families, visitors, staff and the community is our top priority.

### Work continuing during March 2019

- Remediation of ground-fill
- Excavation
- Out of hours machinery deliveries
- Completion of gate installation on Hospital Road for light vehicle access during site establishment
- Services diversions
- Sheet piling
- Tree removal and clearing of vegetation
- Temporary modifications to the hoarding boundary on Botany Street, High Street and Magill Street

Upcoming activities may be rescheduled due to unforeseen circumstances or inclement weather.

### Upcoming activity – March 2019

Activity	Description
Temporary modification of the hoarding boundary – Installation of a covered walkway on Botany Street	<p>A temporary covered walk way will be installed at the intersection of Botany and High Streets.</p> <p>The temporary covered walkway will allow construction activity to be safely undertaken within the site boundary. This change will be in place for approximately 8 months.</p> <p>Work to install the covered walkway will occur outside the construction hoarding on the pedestrian footpath. Pedestrian diversions will be in place under the support of traffic control.</p> <p>To safely undertake work, a temporary exclusion zone will be established on the Botany Street footpath. Work will be carried out inside the exclusion zone. A truck will be used to unload material within the site boundary. Personnel and hand equipment will be used to establish the temporary structure.</p> <p><b>This work will occur out-of-hours between 8:00pm and 5:00am when pedestrian and traffic volumes are lower.</b></p>

## RANDWICK

CAMPUS REDEVELOPMENT

Replacement of barrier gate Hospital Road	<p>A vehicle access barrier will be reinstated at the northern end of Hospital Road during March. This barrier gate is part of the Randwick Hospitals Campus infrastructure used to control Hospital Road access.</p> <p>The gate will be delivered to Hospital Road and installed by site personnel.</p>
Installation of Hospital Road site access gate	<p>A construction vehicle access gate will be established on Hospital Road.</p> <p>To establish the gate restructuring of the existing kerb and creation of new driveway is required. This will include machine and manual digging, concreting and installation of the gates.</p> <p>Traffic control will be in place to support traffic movements.</p>
Tree removal and branch trimming	<p>During March, trees with branches overhanging the High Street and Hospital Road site boundary will be removed.</p> <p>To safely remove overhanging branches a temporary exclusion zone will be established. Traffic control will be in place to support vehicle and pedestrian movements.</p> <p>Tree removal will be undertaken by a skilled arborist using chainsaws, tree trimming and mulching equipment.</p>
Temporary hoarding realignment	<p>To safely undertake services upgrades, site hoarding along High and Magill Streets will be relocated to align with the existing kerb. Realignment of the site hoarding will allow construction activities to be safely undertaken within the site boundary.</p> <p>To undertake the hoarding realignment, work will be undertaken both within, and outside of the site boundary. This work will occur within standard site hours.</p> <p>Pedestrian diversions will be in place to maintain pedestrian access along Botany and High Streets. Diversions are being coordinated with CBD South East Light Rail work.</p>
Water disconnections	<p>Water disconnection work to disconnect water supply from vacated properties will continue along Botany and High Streets.</p> <p>Disconnection work requires saw cutting of the road surface, manual and machine digging to reach each water connection point, backfilling and road restoration. Small excavators, saw cutters, some truck and personnel will be used to carry out this work.</p> <p>Access for road users and pedestrians will be maintained at all times. There will be no disruption to services during this time.</p> <p><b>This work will occur out-of-hours between 8:00pm and 5:00am when traffic volumes are lower.</b></p>
