22 March 2019

Year 7 camp

From the Principal

Parents and Citizens

Following our Annual General Meeting, held on Tuesday 19th March, we have a new P & C Executive.

I would like to take this opportunity to thank our outgoing committee for all that they achieved for our school and our students. Your efforts, during the past 12 months, have been so positive and we appreciate all that you do.

I would also like to welcome our new committee and thank them all for giving up their time for the betterment of our students, school and Public education!

I would encourage all parents and guardians to get involved with our P & C. Even a couple of hours of your time, from time to time, at P & C events or meetings, would be hugely appreciated!

If you are looking for an event to support, our school is a polling booth on Saturday 23rd March, for the State Election. Our P & C will be holding a BBQ from 7am (set up) for residents coming in to vote. Bacon and egg rolls for breakfast and sausage on a roll for lunch! Please support our parents/guardians, students and school!

World of Maths

World of Maths was a new initiative from the Mathematics Faculty to pique the interest of our students! The day involved students attending the hall where many puzzles and quizzes were set up for our students to test their Mathematical skills. Many students were successful in solving all tests, whilst others could complete some but not all.

Well done to all students for attending and testing their skills. The Mathematics Faculty did an amazing job organising the day and activities and the students thoroughly enjoyed the challenge!

School Photo day

As always, our students looked tremendous during the annual school photos on Friday 22nd March. The individual and group photos went extremely smoothly. Well done, gentlemen! Thanks to Ms Cassar for her organisation on the day and well as coordination beforehand.

Duke of Edinburgh

Mr Dimopoulos has been flooded with student requests to join the Duke of Edinburgh Program. We are really impressed with how many students actually wish to enrol in the Bronze and Silver levels. There is also interest in the Gold level, even though it is challenging to achieve. Last year, our first Gold recipient was celebrated. We would love to see even more Gold awards in the next few years.

Study Skills – Parent Session

I would also like to thank Ms Loizou, Head Teacher of Mathematics, for coordinating our Study Skills sessions for our students and parents. The parent information session took place last Tuesday. I would like to thank the parents who attended and Ms Loizou for her efforts ensuring parents know how best to support their son's with study.

House point update**Student feeling unwell while at school**

If your son/ward becomes unwell at school, he needs to:

1. Ask teacher for a note to go to the office.
2. After reporting to the office he will be sent to the Deputy Principal.
3. The Deputy Principal will decide if the parent/carer needs to be called.

This ensures your son/ward's attendance will be correctly marked for the rest of the day.

If your son is very ill, please do not allow him to attend as this may affect other students. Medical certificates would be appreciated for all illness.
