President's Report:

We applaud the good Parents and Citizens of Randwick Boys' High School (RBHS) for achieving yet another productive year. It was a collaborative effort by all in producing outstanding results.

Our P&C consistently conducts meetings once a month where we discuss, initiate plans and exchange ideas and concerns. We also receive reports from the school Principal and P&C President & Executive Committee. Quite often a member of teaching staff may attend to submit a funding application for a special project to be considered by P&C.

For those unaware, proceeds from P&C fundraisers are channelled into various school programs.

The year began with P&C hosting a successful welcome morning tea for our year 7 parents. Another initiative by P&C were the Year 7 Book Packs. A large number were ordered and delivered to new students early in the year.

P&C members were instrumental in the introduction of school lockers at RBHS.

Fundraiser events have attracted a big turnout of volunteers and participants including parents, students as well as members of RBHS staff. Our well organised 3rd annual 'Trivia Night', held in the school gymnasium, was an exciting way to raise funds as well as a great social night out for members and friends of the RBHS community. The event attracted sponsorship from local businesses and was a successful fundraiser we hope to continue in 2017.

The P&C also held a very successful sausage sizzle and cake stall on school grounds when our gym became a polling booth during federal election in July this year. Cakes provided by families and Food-Tech students proved popular and sold out by the end of the day.

We have a proud tradition of community involvement and parents volunteering to assist in fundraising, organising and running the many activities available to our students. Sub- Committees are implemented to organise initiatives such as the Gardening Committee which involves students and parents working together to beautify our gardens. In addition, a garden rejuvenation grant of \$1000 was secured to assist in upgrading the school oval.

We were also successful in attaining a \$45,000 Community Building Grant, which will be used to re-surface the basketball courts.

P&C also supports our school by serving on Merit Selection Panels, learning programs and having a voice in the education of our sons.

This year witnessed stronger ties with Randwick Girls' High P&C, which paved the way to Gold Sponsorship for The Show 'Kaleidoscope', a fantastic production which showcased the talents of our students.

We are lucky to have such tremendous community support.

In maintaining RBHS and P&C long history of community support, we look forward to sustaining those standards and objectives in the coming years.

Thank you to all the parents who attended our meetings throughout the year and assisted wherever possible. Special thanks to everyone involved, in particular those who participated in our fundraising events.

A special thank you to my fellow executive committee members, Birgit Schickinger, Glen Kotopoulos, Sarah Brill and Adrian Skleparis.

The executive committee have had an extremely productive year, working cohesively and volunteering time to help with fundraising events and participating in sub-committee activities.

We commend Principal Lance Raskall and Deputy Principal Olga Sofo for their ongoing support, commitment and regular attendance to our meetings.

We also commend Teachers and Admin Staff who often extended themselves to help the P&C and look forward to their continued support in 2017.

We welcome parents to join the P&C and come along to our meetings held on the third Tuesday of every month.
